## ABOUT MAINCONCEPT-DIVX LLC

MainConcept-DivX LLC is a subsidiary of DivX, Inc. (NASDAQ: DIVX) group of companies and one of the leading providers of high-quality codec technology for the broadcast, film, consumer electronics, computer software, medical imaging and security markets worldwide. We are renowned for leveraging new technology innovations to deliver optimized media solutions for various platforms including PCs, set-top boxes, portable media players and mobile phones.

We share a grand vision and a belief in the positive power of digital media, as well as a sense of humor. We work together, a tightly knit team, bound by our desire to change the world through technology. Dare to peek over the edge. The Tomsk office is the only inside Russia, and we have a friendly, bright and fun collective. Company offers more than a social packet that includes additional medical program, sport, corporate parties, coffee & tea clubs and much more. If you want to be a part of this team, send us your application or give us a call.
